Scoring: For correct answers, place new running total in student's row for the corresponding question. For -1's (3rd incorrect interrupt), place new running total and circle it. Make sure to place scores in the column for the correct question.

Reaching +8: Remove student from round. In "Final" column, place student's total score (refer to the bottom row for the question on which +8 was reached). Cross out remainder of student's row.

End of Round: In "Total" column, place final score for students not reaching +8 (this may be negative).
